Allied Telesis Warranty - Terms and Conditions

Allied Telesis warrants that:

1. Starting from the date of shipment to Customer (and in case of resale by Approved Source, commencing no later than ninety (90) days after original shipment from Allied Telesis).
2. Product will be free from defects in material and workmanship when used in a proper and permitted manner.
3. The date of shipment of the Product is enclosed with the packing material in which the Product is shipped.
4. This Warranty extends only to the original purchaser of the Product and is not assignable. Allied Telesis makes no express or implied warranties including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose, except as expressly set forth in this Warranty. In no event shall Allied Telesis be liable for incidental or consequential damages, costs, or expenses arising out of or in connection with the performance of the product delivered hereunder. Allied Telesis will in no case cover damages arising out of the Product being used in a negligent fashion or manner.
5. This Warranty does not extend to any Reseller, Distributor, Integrator or any other intermediary who buys the Product from Allied Telesis and resells it, either by itself or as part of another assembly, to the End User.

6. Customer's sole and exclusive remedy and the entire liability of Allied Telesis and its suppliers under this limited Warranty will be, at Allied Telesis's discretion, either the shipment of a replacement within the Warranty period and according to the replacement process described in the warranty card (if any), or if no warranty card, as described on the Allied Telesis website or a refund of the purchase price, if and only if the Product is returned to Allied Telesis, freight and insurance prepaid. NO OTHER WARRANTIES, SUCH AS FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSED OR IMPLIED. ALLIED TELESIS IS NOT LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR LOSSES, INCLUDING LOSS OF DATA, ARISING FROM ANY CAUSE OR THEORY. AUTHORIZED RESELLERS ARE NOT AUTHORIZED TO EXTEND ANY DIFFERENT WARRANTY ON ALLIED TELESIS'S BEHALF.
7. Allied Telesis's obligations hereunder are conditioned upon the return of affected Hardware in accordance with Allied Telesis's current Return Material Authorization (RMA) procedures. Failure to properly protect the Product during shipping may void this Warranty. The return authorization number must be written on the outside of the carton to ensure its acceptance. We cannot accept delivery of any equipment that is sent to us without an RMA number. The Customer must pay for the non-compliant Product(s) return transportation costs to Allied Telesis for evaluation of said Product(s) for repair or replacement. Allied Telesis will pay for the shipping of the repaired or replaced in-warranty Product(s) back to the Customer (any and all customs charges, tariffs, or/and taxes are the customer's responsibility). Warranty service requires the unit to be returned to the country of purchase. Allied Telesis will return repaired or replaced units to that country. Customers are responsible for any onward shipping if they move the product to another country. Allied Telesis reserves the right (for exceptional cases) to charge a \$140 fee for all testing and shipping incurred, if after testing, a return is classified as "No Problem Found."

This Warranty does not cover damage from accident, acts of God, neglect, contamination, misuse or abnormal conditions of operation or handling, including over-voltage failures caused by use outside of the Product's specified rating, or normal wear and tear of mechanical components.

Allied Telesis will, at its option:

- Repair the defective product to functional specification at no charge
- Replace the Product with an equivalent functional Product
- Refund a portion of purchase price based on a depreciated value

NOTE: To return a defective Product for Warranty coverage, contact Allied Telesis' Customer Support for a return authorization number.

1. Any temporary and/or test and/or trial Software modules; OR

Disclaimer of Warranty

Except as specified in this Warranty, all express or implied conditions, representations, and warranties including, without limitation, any implied warranty or condition of merchantability, fitness for a particular purpose, non-infringement, satisfactory quality, non-interference, accuracy of informational content, or arising from a course of dealing, law, usage, or trade practice, are hereby excluded to the extent allowed by applicable law and are expressly disclaimed by Allied Telesis, its suppliers and licensors.

To the extent an implied warranty cannot be excluded, such a warranty is limited in duration to the express warranty period. Because some states or jurisdictions do not allow limitations on how long an implied warranty lasts, the above limitation may not apply. These warranties give the customer specific legal rights, and the customer may also have other rights which vary from jurisdiction to jurisdiction.

This disclaimer and exclusion shall apply even if the express warranty set forth above fails in its essential purpose.

Choice of Laws

This Agreement is controlled by and governed under the laws of the State of California, United States of America, notwithstanding any conflicts of law provisions; and the state and federal courts of Santa Clara County, California shall have exclusive jurisdiction over any claim arising under the Agreement or Warranties. Parties specifically disclaim the application of the UN Convention on Contracts for the International Sale of Goods. Notwithstanding the foregoing, either party may seek interim injunctive relief in any court of appropriate jurisdiction with respect to any alleged breach of such party's intellectual property or proprietary rights. If any portion hereof is found to be void or unenforceable, the remaining provisions of the Agreement and Warranties shall remain in full force and effect. Except as expressly provided herein, the Agreement constitutes the entire agreement between the parties with respect to the license of the Software and Documentation and supersedes any conflicting or additional terms contained in any Purchase Order or elsewhere, all of which terms are excluded. The Agreement has been written in English, and the parties agree that the English version will govern.
